RC-10-U110
10LTR RC COMPRESSOR 110V UK

Compressor Details

Compact and balanced on-site compressor featuring an all-over rollcage for tough environments and long lasting performance without compromising on quality.
10 litre tank and 1.85hp easy start motor.
Oil-free motor and easy access drain valve minimises maintenance and allows for vertical or horizontal storage.
Steel rollcage protects from all sides.
Twin output gauges and easy to use regulator makes setting correct air pressure quick and easy.
Balanced design can be carried in one hand for easy portability.
Complete with 10 metre hose.
